

HERE'S the POINT

By SPENCE HELD

When George Worthington, Point Loma High School teacher, was in Spain not long ago, he encountered a student riot one day.

The howling students spotted Worthington and another American. Promptly they began chanting, "Eekay! Eekay!"

Worthington was puzzled at first; finally he figured out what the Spanish boys were yelling: "Ike! Ike!"

I've kept politics out of this column so far. However, it's in the air this week and I don't live in a political vacuum so I'll make a few observations without presuming to tell you how to vote.

Several candidates have dropped into the Peninsula News office to say hello; some were old friends or acquaintances and others were strangers.

Congressman Bob Wilson seems to be conducting his campaign on the "grassroots" level—he gets around to meet ordinary working stiff like myself and there's nothing high-hat about him.

The same goes for State Sen. Fred Kraft, of Ocean Beach. I haven't met Jim Edmunds, his Democratic opponent, but Joe Kneifer popped into the office Monday to sing Jim's praises.

The sheriff rode hard and fast. A muy hombre he; He had a posse at his back, A six-gun at his knee.

Or something like that. Anyhow, it so happens that I know both candidates for sheriff of San Diego County, having observed them at work and play.

Bert Strand, the incumbent, has been stuck with that miserable old County Jail for years; it's outmoded and overcrowded and, like the Courthouse, a disgrace to San Diego.

Bert is a likable guy. As a reporter I always got along with him—he was friendly and cooperative. He had a couple of fellas working for him, though, that I didn't care for.

Hank Adams, his opponent, has quite a record. A graduate of Stanford University, he was the all-around rifle and pistol champion of the U. S. in 1935.

During World War II, as a fighting Marine, his sharpshooting exploits became legendary.

Later he was with the FBI, and served as undersheriff here for five years.

Hank Adams has four children, and is definitely interested in doing something about juvenile delinquency. For one thing, he would like to see the Mexican border closed to unescorted minors.

The Shrine charity football game Saturday night between San Diego and Fresno State Colleges will renew a hard-fought rivalry that began in 1923.

San Diego has won six, lost six, and tied four. Last year the score was 27-27.

Dr. Eugene Stephenson, of Point Loma (he's a dentist) played end for the Aztecs in that first game in 1923. San Diego won, 12 to 2, at Balboa Stadium.

The field wasn't turfed then, and the Fresno boys weren't accustomed to a decomposed granite gridiron. However, the main reason for their defeat was the hard-hitting play of the San Diegans—Tom Hester, Ralph (Hop) Young, Johnny Hancock, Al Scheving, etc.

In the 1920's a guy expected to play 60 minutes of football unless he got hurt. San Diego State often used only 15 or 16 men in a game; sometimes the 11 starters stayed in there until the final gun.

Yeah, them was the days!

Halloween Parade Sat. Plus Spooks, Carnival

With a big costume parade, include movies, talent show, carnival, dance and spook show scheduled in Ocean Beach Saturday, four other Halloween celebrations will be held at schools in the Peninsula area Friday and Saturday.

These supervised celebrations—stressing fun as well as prevention of vandalism—are sponsored by the PTA, City Schools and the City Park and Recreation Department.

In Ocean Beach, the annual Halloween Carnival will be held at the Community Center. Booths are to be open at 3:30 p.m. Saturday and close at 8:30. The costume parade, sponsored by O. B. Kiwanis Club, will move down Newport Ave. at 7 p.m. to Abbott St. and then return over the same route.

There will be a dance in the Community Center at 8:30 p.m., and a midnight Spook Show in the Strand Theatre. Tickets for the show are \$1. All proceeds will go toward completing the Youth Activity Bldg. at Santa Monica Ave. and Ebers St.

Tomorrow (Friday), carnivals are scheduled at two schools. At Silvergate, the hours are 6 to 9 p.m., with a magic show, puppet show, movies, fish pond, fun house and bake sale. At Sunset View, 5:30 to 9 p.m., there will be movies, games and a costume parade.

Saturday, in addition to the Ocean Beach celebration, Cabrillo School will have a carnival from 6 to 9 p.m. at Loma Portal School, 5 to 9, the carnival is to

include movies, talent show, games, supper, pony rides and animal show.

The Ocean Beach Community Center carnival, opening at 3:30 p.m. Saturday, has the following O. B. organizations participating: Bridge Club, Teen Club, V.F.W. Post 2415 and Auxiliary, Cub Packs 28 and 228, Jr. Woman's Club, Sr. Woman's Club, Girl Scouts, Trinity Episcopal Church, 20-30 Club, Kiwanis Club, Kiwanianes, PTA, Jeans & Calico, Friendly Club, Figure Control, and Camp Fire Girls.

The Ocean Beach Kiwanis Club announced that the big Halloween parade will be led by the Dana Junior High School Band.

Assembly time is 6:45 p.m., with children from kindergarten through 6th grade gathering on the O. B. Elementary School playground. (Children under the 2nd grade must be accompanied by an adult.)

Those in the 7th and 8th grades will assemble on Newport Ave. between Ebers St. and Sunset Cliffs Blvd., and the Dana Band on Newport. The color guard of O. B. Post, American Legion, is to assemble on Newport at Sunset Cliffs Blvd.

Moving west on Newport at 7 p.m., the parade will halt at Abbott St., turn about-face and return over the original line of march. It will disband on the elementary school grounds. Parents are asked to pick up children there.

DEMO AND GOP ATTORNEYS FOR JAMES EDMUNDS

Formation of a 49-member county-wide Bi-Partisan Attorneys Committee for Edmunds to further the candidacy of James M. Edmunds, Democratic candidate for State Senator, has been announced by Sherwood Roberts, La Jolla attorney, chairman.

"As attorneys of both major political parties," he said, "we endorse Edmunds' proposals for strengthening the State's anti-subversive laws while offering greater protection to the rights of individuals."

"Our committee also approves Edmunds' approach to legislation that would remove barriers to State participation in Mission Bay Park Development, and his recognition of the need for encouraging new industry to locate here, to assure new jobs and a broader tax base."

"Edmunds, a young and aggressive attorney, war veteran and the head of a fine family, has demonstrated his awareness of the need for new schools, improved roads and highways, and an assured water supply for San Diego County. He is demonstrably free of lobbyist control or influence. For these reasons, we urge his election to the State Senate."

The attorneys committee for Edmunds includes David H. R. Pain, of Ocean Beach.

The Robert Crooks Co., Real Estate, attributes the sale of several choice homes to ads in the Peninsula News this month.

Easton Endorsed By Retiring Tax Collector

A letter from Raymond B. Talbot, retiring tax collector, endorsing his chief deputy, Wilbur W. Easton, was made public recently.

"Easton received the largest number of votes of any of the five candidates at the primary election in June."

Talbot urged the voters to elect Easton on the basis of his competence and experience. He wrote:

"I have worked alongside Easton in the Tax Office for almost 22 years and when I was elected tax collector in 1948, I chose him as the best qualified and capable to assist me as my chief deputy to solve the ever growing problems and details brought about by the great increase in population and resultant new tax accounts."

"I supported Easton's candidacy again give him my unqualified endorsement at the general election at the June primary and now election, November 2."

3000 SEE DRIFTWOOD EXHIBIT AT CAL WESTERN UNIVERSITY

More than 3,000 persons viewed the second annual Driftwood Exhibit at California Western University on Saturday and Sunday afternoons. The show, unique in Southern California, was held on the university campus under pine trees forming a natural circle and between which canvas had been stretched to enclose the area.

Mrs. Charles Bustamente was awarded "best in show" prize for her arrangement of driftwood and large yellow thistles. Other first prize winners in the ten categories were: arrangements, Mrs. Fred Wylie and Mrs. J. H. Lavery; abstract, Mr. and Mrs. Denver Fox; caricatures, Barbara Smith; wall arrangements, Mrs. George Lee; utilitarian, Mr. and Mrs. Denver Fox.

Also, miniatures, Mrs. Nellie Harman; sculpture, Mrs. James Leighton; holiday or seasonal, Mrs. A. J. Stover, Jr.; children's exhibit, Robert Giltner; photography, L. House.

Judges for the 400 entries were Mrs. Roland Hoyt, past president of the San Diego Floral Association; Lynn Fayman, prize-winning creative photographer; Mrs. Marg Loring, past president of the Allied Craftsmen; and Mrs. Eleanor Soule Meadows, art assistant in the city schools.

The enthusiasm of both public and exhibitors warrants an even larger show next year, said Mrs. L. H. Pharis, co-chairman of the Driftwood Committee.

Luckel Cites His Accomplishments

In a statement to voters of the Ocean Beach area, Assemblyman Frank Luckel said he is basing his campaign for re-election in the 78th District on his record of accomplishments in the state legislature.

"Development of Mission Bay, and our beaches, and parks, is something that will have my continued attention," Luckel said. "In this connection it is timely to mention the \$3,200,000 which I helped to obtain for Mission Bay, including the State Park."

"Of benefit to veterans were my progress payment plan for farm and home loans, my Korean

DECISION ON MONUMENT IS PINPOINTED

BY ADALINE DUDLEY

Pinpointing the decision for enlarging Cabrillo National Monument on Point Loma to General Willard G. Wyman, commanding general of the Sixth Army, Congressman Bob Wilson told a reporter for the Peninsula News that a conference date is expected soon.

In a letter to Gen. Wyman, Congressman Wilson suggested a conference be set up in San Diego between Wyman, or his representative, and representatives of the National Park Division, the Army Reserve and the National Guard. Wilson said he had asked Don Robinson, superintendent of Cabrillo National Monument, to set up the meeting.

"The problem is to set a time for the conference," said Wilson, who leaves Wednesday for Washington, D. C.

At a recent meeting of the Cabrillo Club of San Diego, Mrs. Rita Ballatore, past president, asked club members to write letters to General Wyman, urging him to approve the transfer of 66 acres to the national monument.

A letter also was sent to the 18 clubs of Cabrillo Clubs, Inc. of California, urging their 4500 members to get behind this movement.

BOB WILSON CITES RECORD OF ACHIEVEMENT FOR S. D.

Congressman Bob Wilson winds up his campaign this weekend with a series of talks and public appearances at which he will re-state his record of accomplishment as San Diego's official representative in Washington and an outline of his plans for the next session of Congress.

In a statement to the Peninsula News Congressman Wilson emphasized that as a member of the powerful Armed Services Committee and of President Eisenhower's team he is able to get things done both for the President's program and for the 30th District.

Among his achievements as a Congressman, Wilson points to the following as highlights:

Establishment of a Federal Narcotics Office in San Diego for the first time.

Mission Bay channel dredging appropriation of \$750,000.

Extension and revision of legislation to bring over \$10 million to San Diego schools.

A Fisherman's Protective Act to help tuna fishermen regain their freedom of the seas.

Additional beds at the Naval Hospital for veterans of San Diego County.

Wetback Control Bill to provide orderly system and control of Mexican workers.

Action by the Maritime Administration in reducing rates \$5 per ton at Port of San Diego.

Repel of the "Thomas Rider" and passage of vital fringe benefits laws for Federal workers.

Of his schedule of things to be done for San Diego during the next two years, Wilson has included:

Sea water conversion; construction of an outer harbor and dredging of the bay harbor; plans for an exposition to attract trade and tourists; low level highway to Imperial Valley; a protective tariff for the fishing industry and pay increases for postal, civil service workers and the Military.

KRAFT STANDS ON HIS RECORD

State Sen. Fred H. Kraft said this week that he stands on his record of performance in seeking re-election. He gave this summary in a final statement to voters:

"Economy: Opposed to unnecessary additional taxes. Has worked vigorously to balance budget while serving on Revenue and Taxation Committee so that California will live within its income."

"Water: Actively supporting study of proposed Feather River Project—a potential future source of water for San Diego County."

"Legislation: Author and co-author of important legislation furthering growth of San Diego County and its communities."

"Highways: Presently serving on interim committee on Highways, Streets, and Bridges developing program to assure San Diego County adequate road construction and improvement."

of the County Knight-for-Governor Committee.

"More than 1,700,000 voters in the primary said they wanted Goodwin J. Knight for Governor. It is our task now to finish the job," Hervey said.

"We must demonstrate that California wants the dynamic leadership and the progressive, sound program that the Governor has given us during his first year in the State's highest office. Our slogan is 'Knight is Right for California' and you couldn't express our belief better."

This call to action was sounded by Edgar B. Hervey, chairman of the County Knight-for-Governor Committee.

City Considers Mission Bay As Auditorium Site

Mission Bay Park is the best place for a civic auditorium and sports arena.

That's the stand of the Ocean Beach Chamber of Commerce, and its spokesman, Atty. David H. R. Pain, cited a variety of reasons to back it up at a special session of the City Planning Commission Monday.

The commission, after hearing arguments for seven different proposals, asked Planning Director Glenn Rick to prepare reports on three plans. These are:

1—The Shattuck plan for a privately-financed 5,000-seat convention hall at the Plaza, including an underground garage.

2—A sports arena and auditorium seating 10,000 at Mission Bay, Balboa Park, Golden Hill or elsewhere.

3—A community festival theatre of 3500 seats in Balboa Park.

Atty. Pain, speaking for the O. B. Chamber, pointed out that the Mission Bay site has the

advantage of a large tract of land, centrally located, which could be utilized at no cost to the taxpayers.

Also, he cited adequate parking, easy access on four-lane highways in all four directions, and adequate space for future expansion.

"Location in the Mission Bay area would not result in creating any traffic problem, or in the compounding of an existing traffic problem," he said.

"The Mission Bay Park project needs a stimulus, such as a sports arena."

Pt. Loma Plays La Jolla There Friday Night

Point Loma High School, defeated 28-6 by San Diego High last Friday, will encounter traditional rival La Jolla tomorrow night at the Jewel City field. Kickoff is at 8 p.m.

San Diego High looked like a better team Friday night, although the score should have been 14-6 instead of a three-touchdown bulge over the local boys.

Point Loma lost the ball on fumbles twice within its 10-yard line early in the game when the Pointers decided to run with the ball instead of kicking it out of danger. Both times San Diego recovered and drove to two easy touchdowns.

Quarterback Pete Gumina kicked both extra points and that 14-0 lead looked pretty big on the scoreboard.

San Diego earned its third touchdown in the half, with Gumina tossing a 30-yard pass to end Art Powell and Jim Brady booming through the line for the final hunk of yardage.

The Pointers came to life after the intermission. Their blocking and tackling were sharper, and San Diego had its hands full staying off a couple of determined drives. On one occasion halfback John Dawson almost scored, being forced out of bounds on the one-yard line, but it was fourth down and the locals lost the ball.

Finally quarterback Bill Harvey hit Marcie Lampkin, end, with a pass and Lampkin sped downfield in a sensational sprint, reversing his field nicely and gaining almost 60 yards. An end run plus a lateral pass produced a touchdown, with Frank Rogers going over on the eight-yard scoring play.

San Diego retaliated, however, in a drive that covered more than 60 yards and saw Joe Banks score the last TD.

For Point Loma, Greg Widders played a good game at end and several other linemen performed well.

MOOSE DANCE SAT. Ocean Beach Lodge 1755, Loyal Order of Moose, will hold its first Halloween costume dance for members and friends Saturday at 8:30 p.m. in Moose Hall, 5019 Newport Ave.

MANY ENDORSE HANK ADAMS FOR SHERIFF

Henry J. (Hank) Adams, former undersheriff and one-time FBI special agent, who has just been promoted to full colonel in the U. S. Marine Corps Reserve, has received many endorsements and tributes during the last phase of his campaign for the next sheriff of San Diego County.

Adams' dynamic program for the control of juvenile delinquency and elimination of the vicious narcotic problem has won wide support from people in all walks of life as well as numerous editorial endorsements.

The most recent organization to wholeheartedly support Adams for sheriff is the Holland M. Smith Chapter of the Marine Corps Reserve Officers Association, which said in part:

"Henry J. Adams actively and with distinction served the Marine Corps, the Federal Bureau of Investigation and the Sheriff's Department . . . and is the best qualified candidate for this office . . . and so, we urge the electorate to cast their ballot for Hank Adams."

One of the most unqualified endorsements of any candidate for public office came from U. S. Senator Paul H. Douglas, who sketched Adams' background as "The One Man Army of Tulagi" in the South Pacific with the Marines when he killed 15 enemy soldiers single-handedly; his service with the FBI, and later as undersheriff.

"It is a privilege and an honor to commend Hank Adams for his service to his country and his community as an outstanding young American, a red-blooded Marine hero, and a courageous peace officer, and to wish him luck in whatever he does," said Senator Douglas.

McDavid Booster

Tom Drake, San Diego County campaign manager for Robert E. McDavid, Republican candidate for the State Board of Equalization, said yesterday that he had wired congratulations to Atty. Gen. Pat Brown, Democrat, for his "open support" of McDavid.

"Your stand for good honest government justifies the people's confidence in you," Drake stated in his telegram.

OPTIMISTS—Officers and directors of the new Point Loma Optimist Club, which will hold a charter dinner party at Kona Kai Club tomorrow at 7:30 p.m., are shown above. Seated, left to right, are James M. Browder, sergeant-at-arms; Eugene H. De Falco, vice-president; L. Leonard Bonham, president; Jack E. Bryce, vice-president; Jerome B. Pendleton, secretary-treasurer. Standing, Directors Don B. Graser, Eugene O'Neal, A. M. Akin, Bruce F. Fennell and A. N. Kuensting.

Cabrillo School Staff Has Social

Autumn decor prevailed at the turkey dinner which marked the first social event of the year for the Cabrillo School staff. Zlat Rowing Club was the setting for the Oct. 18 event at which husbands and wives of faculty members were guests. Miss Nancy Whitcomb was in charge of arrangements. She was assisted by Mrs. June Prigan and Miss Grace E. Finley, principal.

Word was received recently of the birth of Kathleen Shannon to Mr. and Mrs. William Shannon. Kathleen's mother, Dorothy, was a Cabrillo School second grade teacher last year. They are making their home in San Diego while Mr. Shannon completes his college work at State College here.

Nevin Wiley Speaks At O. B. Jr. Meet

The October general meeting of the Ocean Beach Junior Women's Club featured a talk on the purposes and problems of the Mental Hygiene Association. Nevin Wiley, Director of the Family Service Association, and a member of the Mental Hygiene Association was the speaker.

Mrs. Arthur Attebury, Mental Hygiene chairman for the Ocean Beach Juniors introduced the speaker. Members were invited to ask questions after the talk, and many did. Mr. Nevin addressed greatly to the general information of the group, on mental health. The Ocean Beach Juniors have voted to donate money for a film for the Mental Hygiene Association.

Clarke To Speak On Socrates Tues.

John Robert Clarke, founder of the "Adventures in Living" lecture series, now in its fifth season in San Diego, will speak on "Socrates on the Flying Saucers" Tuesday, November 1st, at eight p.m. at the House of Hospitality, Balboa Park. In this lecture-portrait of the "greatest secular teacher of all time," Mr. Clarke will take his audience through the streets of Athens to watch Socrates and his friends facing some of today's newest 20th Century problems in an earlier setting.

"You cannot easily be neurotic and Socratic at the same time," Clarke says, in showing that many striking parallels of life across the ages suggest the timeliness of the Socratic recipe for living today.

Next Tuesday, November 9, speaking on "The Lost World of Languedoc," Clarke will trace the rise and hurried destruction of a little known civilization that grew up at the wrong time for survival; and will consider some little known facts concerning "What might have been" the beginning of modern times.

All "Adventures in Living" lectures are open to the public on the sixteen Tuesdays of the winter season. Coffee and discussion follow, so that those who so desire can meet others of the same spirit of inquiry.

It's Prosperity Insurance!
 Proposition 5 renews a 40-year old law exempting home-owned ships from personal property tax levies that can't be assessed against foreign and out-of-State ships.
 California ships could not compete, tax-wise, without this protection, and in many cases would be forced to seek registry in other ports, spending there the many millions of dollars for repairs and provisioning now spent in California.
 A healthy shipping industry is vital to California's prosperity. Shipping furnished jobs for 20,000 Californians last year with a payroll of more than 100 million dollars! Every county in every section of the State benefits in terms of wider markets and better prices for products, more business volume, more stability, more job protection.
 Everybody favors Proposition 5: the Democratic Party and the Republican Party, the Farm Bureau Federation, the State Federation of Labor, the State Chamber of Commerce, the California Federation of Women's Clubs and scores of other civic, labor, business, women's and patriotic organizations.

McLain's Proposition No. 4 would increase aid to aged from \$80 to \$100 a month. It would thus freeze into the State Constitution an old age assistance burden of about \$300 million a year.

This is \$74 million more than California now pays, which exceeds the combined old age assistance payments of New York, Illinois and Pennsylvania.

The higher payment would attract additional thousands of old people from other states.

Republican Women Have Active Week

Republican women in the area have an active week, climaxed by the opportunity last night of hearing Vice President Nixon speak at the Navy Day dinner in Balboa Park.

At their regular monthly meeting on Wednesday the Ocean Beach Republican Women's Club honored as its main speaker Col. Donald Suicer of Coronado, an outstanding proponent of faith in the American way of life. In a dramatic account of his experiences during 45 months of imprisonment by the Japanese in World War II, he told of gradually losing his freedom, how he felt and what it meant. The title of his speech, "Why I Am a Republican," revealed his belief that through support of Eisenhower and his administration we can preserve and maintain this vital liberty.

The club also heard a report from its president, Mrs. Rembert James, on the recent convention in Los Angeles of the National Federation of Republican Women's Clubs, to which she was a delegate. This was the group responsible for bringing President Eisenhower to the Hollywood Bowl.

In a rally for Republican candidates in the forthcoming election, State Assemblymen Kraft and Luckel both appeared for themselves, Thomas Drake spoke for Robt. McDavid, running for the State Board of

HEALTH FOR ALL

BORE YOURSELF TO SLEEP

The dog, the cat, the baby in the crib—how do they spend most of their time? Sleeping. It's so easy for them to drop off anywhere, anytime. Then why can't you sleep whenever you wish? It's probably because you're so intelligent.

It was quite an achievement when man got smart enough to stay awake two thirds of the time. New born infants, like the lower animals, wake only when stimulated by hunger, pain, fear, or some other primitive urge. When their needs are satisfied, they go back to sleep.

As the brain develops, the baby becomes more and more aware of what goes on around him. There are many more sensations to keep him awake. And when he becomes an adult with a fully developed brain, life can be so very stimulating that sometimes he just can't sleep.

The type of insomnia that affects almost everyone once in a while results from an over-stimulation. You get into a political discussion, and when you go to bed you lie awake thinking up perfect arguments. Or you have an important job to do tomorrow, and you work about how you'll do it. Or you are in a strange bed. Or you drank too much strong coffee.

If you have trouble getting to sleep, try boring yourself. On occasional evening with dull company or a dull book will be helpful. Take a cup of warm milk of similar innocuous beverage before retiring. Establish a bedtime routine of insignificant chores to slow down the activity of your brain.

Music may help, if it is pleasant but uninteresting. Be sure not to confuse annoyance with boredom. People or things that annoy you are stimulating rather than soporific.

The main thing is to get into the habit of sleeping. There's no need to worry about losing sleep occasionally, but chronic insomnia is very serious and may require a doctor's help.

KNIGHT is RIGHT

FOR CALIFORNIA

VETERANS SAY:

"Goodwin J. Knight is the only veteran in the race for Governor. He knows veterans and veterans know Knight. He's the right man for all California!"

TAXPAYERS SAY:

"Knight doesn't just talk a good job. He does it! He's sound, constructive and economy-minded."

BUSINESS, LABOR SAY:

"California's governmental training system gave Goodwin Knight 7 years of tough experience as Lieutenant Governor, in dealing with Statewide problems. The apprentice system works in Labor. It works in Business. Knight's strong record of achievement proves it works in Government."

"Let's not trade a man who knows the job—for a man who still has to learn!"

PARENTS SAY:

"Governor Knight cracked down on the youth-destroying narcotics traffic—and made the first move in 20 years to clean up liquor control."

GOVERNOR KNIGHT SAYS:

"Government's true function in a democracy is not to rule, but to serve—with humble respect for the God-endowed rights of each individual citizen."

DEMOCRATS SAY:

"The Cornerstone of Democratic Government is not the Party—but the Man. And this year the Man is Knight!"

ON NOVEMBER 2 CALIFORNIA VOTERS WILL SAY—KNIGHT IS RIGHT FOR CALIFORNIA!

Christmas Seals Readied For Mail

Approximately six tons of Christmas Seal letters this week were stuffed, sorted and zoned for mailing by volunteer workers from all over San Diego County, working at the San Diego Indoor Sports Clubhouse.

The colorful, anti-tuberculosis Seals will be mailed to city and county residents during mid-November, according to Mrs. Carl R. Anderson, general chairman for this year's drive.

More than 1500 volunteers helped in preparing the Seals for mailing. The drive is sponsored annually by the San Diego County Tuberculosis and Health Association. Fund raised through the sale of the Seals provided

the sole means of support for the organization's year-round control efforts in this area.

"The idea of the anti-TB Christmas Seal," Mrs. Anderson said, "is exactly 50 years old this year."

She said the first Christmas Seals were sold in Denmark in 1904. Three years later, the idea was brought to this country to provide money to fight tuberculosis in the United States.

CLASSROOM ADDITION
Increased enrollment at Cabrillo Elementary School required the addition of a portable classroom to the school plant, reports Miss Grace E. Finley, principal. She said that a fourth-grade combination will be added, and that Mrs. Sally Cavell will join the teaching staff.

The San Diego City Schools have attracted nationwide interest among educators for their efficient utilization of portables, Miss Finley commented.

BRAD HALLEN WINNER
Written language, history and fun of competition entered into the recent Christopher Columbus essay contest won by Brad Hallen, Cabrillo School fifth grader. Brad won a first-place cup for his school in the contest sponsored by Federated Italian Americans of Southern California. His name and that of Andrew Nelson, of Cabrillo, will be engraved on a perpetual trophy at the school, according to Miss Grace E. Finley, principal. The award was presented by Cosimo A. Cutri, Federation president.

Chrysanthemum Flower Show Set This Week End

The San Diego Floral Association will present chrysanthemums in their 46th Fall Flower Show in the Floral Building, Balboa Park. This three-day event will open Friday, October 29, from 1 p.m. to 5 p.m., and continue Saturday and Sunday, October 30 and 31, from 9 a.m. to 5 p.m.

The chrysanthemum inspired a national holiday in Japan. As early as 500 B.C., it was honored by the Chinese philosopher, Confucius. The current interest in Oriental art sets the keynote for this show, which was designed by Roy Seifert, landscape architect, a member from La Mesa. On one side of the entrance,

a small Japanese garden will display some rare dwarf trees of usuburo, of Leucadia, while the other will show the Japanese influence on furnishings for modern living. Inside, light transparent screen will form an Oriental background for non-competitive flower arrangements by S.D.F.A. members, under the chairmanship of Mrs. Stewart Carse. Some arrangements will pick up a harvest theme, others will utilize shells or unusual gem-rock formations.

Special features will be an antique Occidental screen with a bronze bowl, exhibited by Mrs. Herbert Kunzel and Mrs. Gordon Hurlbut for the Garden Club of the Junior League of San Diego, a "tokonoma", with scroll and authentic flower arrangement, and other Japanese

treasures from the collections of Rear Admiral Decker, Dr. Mabel M. Colby and Miss Margaret Meyers. "Home for Thanksgiving" might be the title for one among several table settings in charge of Miss Etta Schwieder.

Outside, two chrysanthemum gardens in glowing colors, a flower cascade from giant clam shells by Mrs. Harvey Fleming of La Jolla, and an exhibit by the Audubon Society will wind up a salute to Autumn.

Notables To Attend Catholic Daughters' Institution Nov. 11

The newly organized Court of Catholic Daughters of America will hold their institution on November 11th at 8 p.m. in the

Ocean Beach Woman's Club. Mrs. Elizabeth Sokol, Extension Chairman.

All Courts in San Diego are invited. Mrs. Sokol has called a meeting of all charter members of the new Court to meet at the parish hall, 8 p.m. on November 4th.

Drivers Warned On Halloween Travel

"It is almost as difficult to see children on their Halloween night 'trick-or-treat' rounds as it is to see the ghosts and goblins that frolic that one evening of the year. While it is a good idea to watch out for both, the children are most important," Fred H. Rohr, San Diego County Traffic Safety Council president, warned today.

With practically every child in San Diego County visiting neighbors or attending school or playground carnivals this weekend, motorists are urged to be extra alert, for the children will have their minds on the fun and spirit of Hallowe'en, Rohr said.

Fourteen children have been killed in San Diego County traffic so far in 1954 and the holiday period lies ahead, Rohr pointed out.

The weeks that are just ahead have a tendency to bring relaxation of caution and care on the part of drivers and walkers alike. Added to this are the light rains and morning and evening fog that make driving and walking more hazardous, Rohr said.

"If the improvement so needed and so desired in our traffic record this year over last year is to be accomplished, we must not relax our combined traffic safety efforts but increase them," Rohr said.

ST. ANNE'S BREAKFAST

St. Anne's Auxiliary of Trinity Episcopal Church will have a breakfast meeting at 10:00 following the 9:30 Communion Service on Wednesday, November 3rd. Members are urged to bring with them any sewing they may have ready for the church bazaar.

zaar to be held November 6th. Hostesses for the breakfast will be Mmes. Gordon Webber and Virgil Edrin.

"Rose Exhibit Set For S. D. Library

The San Diego Public Library, 8th Avenue and E street, during November will be the scene of one of the most unusual, sought-after displays in the country. This is the "Rose" exhibit, which will come directly to San Diego from the Smithsonian Institute in Washington, D. C.

Assembled by Miss Jean Gordon, the exhibit is the result of ten years of research for her book, "The Pageant of the Rose." The display is international in interest, and indeed has been shown overseas, since it includes copies of rose paintings by American, Chinese, Japanese, French, English and German artists.

A few of the outstanding pieces in the collection are a hand-carved ivory statue of the Chinese Goddess of Mercy decorated with roses; a framed plaque of marble inlay, picturing a hand with a rose in the palm; and Helen Keller's reactions to the roses in Conard (cq) Pyle's rose garden transcribed in Braille.

Also on exhibit will be rock roses, rose coins, rose stamps, the rose in advertising and religion, 19th century greeting cards and many others.

The Library is proud to be included among the places to have this exhibit and is extending an invitation to all San Diegans to visit during the month.

Disabled Vets Hold Annual Card Party

The Disabled American Veterans NOTR No. 223 will hold their Annual Card Party November 2, 1954 at 12 noon in the Auditorium of the Veteran's War Memorial Building, Balboa Park, San Diego.

There will be a dessert luncheon, door and table prizes.

The proceeds derived from this affair will be used to sponsor the Annual Disabled American Veterans' Children's Christmas Party. The children of disabled veterans in this community are all invited, including the 10th District of the DAV.

Reservations can be made by calling Frank Les Tina, AC-3-8919 or the DAV office BE-2-0142.

Heart Clubs To Lose 2,000 Pounds

San Diego overweight adults are losing weight by the ton! Enthusiasm for the San Diego County Heart Association's free and voluntary, weight-reducing "Heart Clubs" is running high and members of the first five charter clubs have already pledged themselves to lose over 2,000 pounds, on the advice of their physicians.

"The Heart Association cordially invites any adult 15 or more pounds overweight to get together a group of their own overweight friends or neighbors and

form their own "Heart Club", Municipal Judge Ronald Abernathy, president of the local association said today. "We will furnish referral slips for their doctor to sign, individual diets, audio-visual material and all other necessary equipment to start each club as soon as the necessary amount of members is organized in each neighborhood. A minimum of six and a maximum of 12 members is requested for each club."

Based on the idea of "group dieting," these Heart Clubs have had excellent success in other cities and states in helping overweight adults lose weight through weekly meetings, weekly check-up on their weight loss, an association with members of a group having the same weight problems. There are no dues or fees.

Complete details may be obtained from the San Diego County Heart Association, 1651 4th Avenue, San Diego 1.
